Voluntary Lease

1. The ground lease transaction is voluntary. The Ground Lessee does not have the power of eminent domain and cannot lease the property if negotiations fail to result in an agreement.
2. Because this is a voluntary transaction, the Ground Lessee will be unable to lease the property offered for lease if negotiations fail to result in an agreement.
3. The Ground Lessee will inform the Ground Lessor of the property's estimated fair market value prior to entering into the ground lease.
4. While federal funds will be used in the acquisition of the leasehold interest of the Ground Lessor's property, the Ground Lessor WILL NOT be entitled to any relocation benefits.
5. Any tenant legally occupying the property is eligible to receive relocation assistance and benefits as identified in the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended.

The Ground Lessor authorizes the Ground Lessee, the funding agency, or a designated representative to provide or permit to be provided a notice of denial to any person who wishes to apply to become a tenant. Before signing a lease and commencing occupancy, the person must be informed of the following:
 - a. If the Project is funded, the person may be displaced; and,
 - b. The person would not qualify as a "displaced person" as a result of the Project and would therefore not be eligible to receive relocation assistance or benefits.
